STAINS

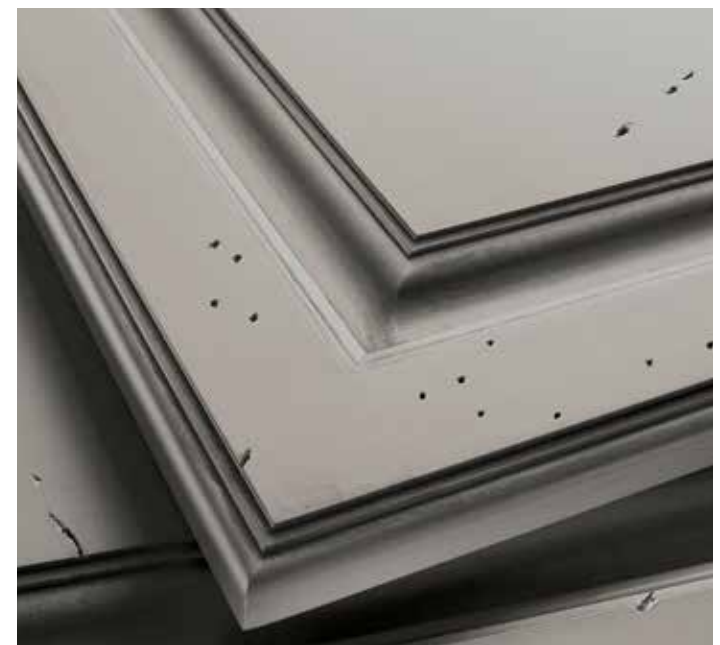

STAINS WITH FLOODED GLAZES

**SATIN SHEEN**  
(Top portion of door)  
Our timeless original top coat features a moderate sheen which is reflective without being too glossy. Available on all stains, glazed stains, paints and glazed paints.

**MATTE SHEEN**  
(Lower portion of door)  
Our low sheen top coat is less reflective and absorbs more light, resulting in a softer, more muted look. Available on all stains and glazed stains. Not available on paints or glazed paints.

**DISTRESSING**  
Unique imperfections like wormholes, chisel marks and tiny dents and dings replicate the wear found on a well-loved piece of furniture.

**HEIRLOOMING**  
Over-sanded edges and profiles expose the underlying wood to create a naturally aged appearance, lending depth and character.
